"It's kind of really
 important to preserve
 archaeology"

- Empirical work**
- **Study of AIM professionals**
 - Interviews of 16 Swedish professionals with interest in "archiving archaeology"
 - Conducted 10/2013-4/2014
 - Selective sample, snowballing
 - **Study of exploiters**
 - Qualitative survey of 34 exploiters in Finland and Sweden
 - Conducted in 2015
 - Semi-systematic sampling of exploiters funding archaeological fieldwork between 2013-2015
