16 qual interviews archaeological information management

1) Barrier to purposeful information practices

2) Opportunity to avoid information interactions

3) Opportunity for alternative information (literacy) practices

Beyond literacy/illiteracy?

information unliteracy
ability to engage in
counter-purposeful
information practices

Is this really useful?

information unliteracy
ability to engage in
counter-purposeful
information practices

Beyond literacy/illiteracy?
May be.

Alternatives to being information literate
